Updates:

Downtown Partnership - Susan gives update.

Priority item = masterplan implementation

Banners (now in Lou Ginsberg's hands) and art walk both mentioned at last DTP meeting.

WAMO + arts district included in Pima Cultural Plan

Who is the implementor for warehouse area?

Mirador

We ARE part of this project. WAMO to continue pushing art agenda and involvement of local artists.

Rueben suggests getting guarantee from COT to be included in all presentations from TW/Mirador and push for inclusion on design board + charettes. Approach COT for this.

Artspace

Charles got word that Artspace will be paid. Susan HAS the report.

Task Force: Solar Culture + Gloop Factory

- Letter to Dwight Thursday

- Zee has 18 months to make his space occupiable. COT says 18 months til they begin Steinfeld work.

- Vision for task force to include architects + engineers to get reports needed to present to COT for other warehouses

- What is minimum needed for occupancy?

- WAMO to ask Bob Vint for a meeting

- We have money to use from district rents: how to access this?

Nominations / Voting

- No voting because there is not a quorum

Call to Audience

- Dirk says that Robert Redding has proposed "artisan residence" to COT for OK on live/work space in commercial properties. Has made it as far as COT zoning committee.
