

Warehouse Arts Management Organization Presents

wamo GALA *Wonderland*

WHO WE ARE

Warehouse Arts Management Organization, (WAMO) is a nonprofit, volunteer-run organization that works to preserve, protect, promote and program affordable and sustainable spaces for Tucson's creative arts.

We manage three buildings: Steinfeld Warehouse, Toole Shed and the Art & Design Center. We formerly managed the Citizens Warehouse and strive to once again sustain this space for the arts. These buildings contain a multitude of artists and creative businesses, galleries, maker spaces, a radio station and more. Preserving these spaces for artist use and programs like 1st Saturday Art Walk help us cultivate and grow Tucson's local contemporary arts.

WHY SPONSOR US

We need your support to help us keep the arts alive and thriving in Tucson. WAMO supports the arts by providing, maintaining, and improving affordable spaces for artists and creative arts businesses. Providing these affordable spaces helps art thrive in our community because when our artists and art businesses are able to afford spaces to work out of, they are then able to put on art shows, teach classes and workshops, paint murals, host artist markets, and so much more. The unique culture and identity of our beautiful southwest city is steeped in the contemporary arts scene that literally paints the town. Sponsoring this event shows Tucsonans that you value our thriving arts scene and want to help cultivate our city's creative spirit.
